ECON 3070-100 INTERMEDIATE MICROECONOMIC THEORY Summer 2006, Department of Economics University of Colorado at Boulder

Instructor: Scott Savage, Assistant Professor **Office**: ECON 11 (south-west corner of basement)

Textbook

The required textbook is *Microeconomics: An Integrated Approach*, 2nd edition, by David Besanko and Ronald R. Braeutigam, 2004, John Wiley & Sons, New York, ISBN 0-471-45769-8.

Closed reserve

The following books are available from closed reserve in the Norlin library

Barnett, R., Ziegler, M., and Byleen K. 2005.

Grading

There will be five homework assignments (three of the five will be randomly graded and allocated to the overall homework grade), one mid-term examination, and one final examination. The weightings for these assessments are:

Homework assignments	(3×10%)	30 %
Mid-term exam	(1×30%)	30 %
Final exam	(1×40%)	40 %

The mid-term and final examination will consist of short-answer and problem solving questions (similar to homework questions and class applications) that require students to use diagrammatic, mathematical and written skills to prove their answers.

There will be no make-up homework assignments or mid-term examination unless there is a proven emergency or other unusual circumstances that have been discussed with the

Disability services

If you qualify for accommodations because of a disability please submit to me a letter from Disability Services in a timely manner so that your needs may be addressed. Disability Services determines accommodations based on documented disabilities (303-492-8671, Willard 322, www.colorado.edu/disabilityservices).

Tentative course outline

Proposed topics are provided in Table 1. Please note the course outline is subject to change during the term depending on how fast we work through the proposed topics. All changes will be announced in class and online through http://webct.colorado.edu.
